CHECK your passport for these **10 things**:

- ★ **Expiration Date:** Ensure your passport is valid for at least six months beyond your intended travel dates, as many countries have this requirement.
- ★ **Physical Condition:** Check the overall condition of your passport, making sure it is free from significant damage such as torn pages or a detached cover.
- ★ **Personal Information:** Double-check that your personal details, including your name, date of birth, and nationality, are accurate and up-to-date.
- ★ **Signature:** Make certain that your passport has been signed on the designated signature line.
- ★ **Photo:** Confirm that your passport photo meets the required specifications and accurately represents your current appearance.
- ★ **Visa Requirements:** Research the entry requirements for your destination country, as some nations may require a visa in addition to a valid passport.
- ★ **Travel Advisories:** Stay informed about any travel advisories or restrictions related to your destination, as these may impact your passport's validity or entry requirements.
- ★ **Ensure that you** accurately input your mother's maiden name, which is the surname she had at birth.
- ★ **Renew** your passport at www.dfa.ie/passportonline
- ★ **Have your passport** with you when filling out the renewal form.
